

## **School Development Plan - Strategic priorities 2024 – 2025**

### **Improvement Priority 1**

- To continue to improve progress and attainment in writing, with a particular focus on; phonics in the early years and lower key stage 1 and spelling throughout the rest of the school.

### **Improvement Priority 2**

- To empower subject leaders to drive their subject to ensure all children can access the curriculum and make progress from their individual starting points.

### **Improvement Priority 3**

- To strengthen the transition from EYFS to Key Stage 1 through the implementation of continuous provision.

### **Improvement Priority 4**

- To continue to provide purposeful play opportunities on the playground to strengthen personal development.
